## Blue Sapphire 2016

---

### Introduction

In an attempt to break the traditional red wine, white wine, even pink wine, we introduce our Blue Sapphire. For all seeking the next big thing in beverages – we have crafted an electric blue wine. Blue Sapphire has a strong fresh, fruity flavor and it's characterized by an intense blue-azure color.

### Vintage Weather

In general, harvest was steady with no major rain events. Summer temperatures remained manageable as August heat materialized just ahead of harvest. Conditions were ideal.
